Peer to Peer Earning

- Peer to Peer (P2P) MLM system the user needs to donate to up line member or whomever the system instructed member, to get upgrade LEVELS. It will allow the user to give donation and get donation.

Time Frame

- Every user in the system need to donate them to the up line member or system give member with the time frame, which was managed by the admin.

Ranking System

- It is 3 X 4 Peer to Peer MLM systems, each individual user need to start into the system with the LEVEL 1(ONE) with the rank of JADE. This how the system is design so there is not illicit to get in to the system

Ranking Qualification

- If the user is not completing his/her first level of matrix in other words (**not signing the minimum of 3 partners with in timeline**). That particular user will be blocked in the system. That user needs to pay a **Penalty to the system**.
- **Penalty:** For Reactivating the user account, needs to pay the **10 INR to the system**
- On the time of deactivation account the down line member donation will be goes to the **Trust Treasury**
- **Trust Treasury:** Treasury, where the donated amount will be goes in to it after the user pay **Penalty**. The system will return the donation amount the particular user.

Expired Account:

- Failure to upgrade within the given period expire the account; here is some list points that will make the user account expired.
- Earnings meant for your Up liner will be paid by the next qualified partner from the team. – Earnings meant for the Expired account
- Part goes into payment for the losing out partner
- The remainder goes into Trust Treasury OR
- Be paid to a highest ranking member in the up lines. (the accumulated money will be worked into the total earning for that rank)

Penalty System

- For Reactivating the user account, needs to pay the 10 INR to the system

Number of Down line Member

- Every user need to completed the level to get the number of down line member.
- It is 3 X 4 matrix MLM system every user in the level 1 will have the three (3) down line partner. After the upgrading to the Level 2, user will get the (9) down line partner.

3 X 4 Peer to Peer MLM

- It is 3 X 4 Peer to Peer MLM concepts where the user will get in to the system with the 20 INR and earning thrice the amount of investment amount.

Core concept:

- **User (A)** needs to get in to system by donation 20 INR. **User (A)** is now upgraded to the level 1 and rank is **JADE**. **20 INR** will be donated to the up line member.
- It is 3 X 4 matrix MLM system every user in the **level 1** will have the three (**3**) **down line partner**.
- Each down line member for the **user (A)** will be donate the 20 INR to the **user (A)** it will make **60 INR** earning to **user (A)**.

- After earning to the 60 USD, user (A) need to upgrade to **Level 2 Rank SAPPHIRE**. **40 INR** will be taking for the upgrade fee remaining **20 INR** will be withdrawn by the user.
- After the upgrading to the **Level 2 to the Rank SAPPHIRE**, user will get the **(9) down line partner**.
- In Level 2 the **user (A)** can earn **360 INR** from their down line members, that means the user (A) down line member need to **upgrade their level** so they will give **donate earning money** to their up line member to **user (A)**. **$40 \times 9 = 360$ (thrice the amount of investment)**

- After earning the 360 INR, user (A) need to upgrade to **Level 3 Rank EMERALD**. **160 INR** will be taking for the upgrade fee.
- After the upgrading to the **Level 3 to the Rank EMERALD**, user will get the **(27) down line partner**.
- User (A) will in the **Level 3** can earn **4,320 INR** from their down line members. Same like in the step 6 the down line user need to upgrade their levels so they will donate the 160 to **user (A)**. **$160 \times 27 = 4,320$**
- Again the user (A) need to upgrade to the last **Level 4 to the Rank DIAMOND** to the user (A). From earning user need to donate **1,000 INR**.

- After the upgrading to the **Level 4 to the Rank DIAMOND**, user will get the **(81) down line partner**. From them the user will earn **81,000 INR**
- After completion of all the Levels the user need to donate **10,000 INR to the system**, after donation user can able to withdraw the earning amount.
Here are the 12 steps need to followed by the every user, how is get in to the system.

Tabulation view of the P2P 3 X 4 MLM system:

RANKS	EARNINGS INR	UPGRADE (DONATE) COST INR	NO. OF PARTNERS
